Summary Report

Marshall Elementary School provides high-quality innovative opportunities for the holistic development of all 700+ scholars, through diverse educational experiences in a student friendly environment. Marshall aims to prepare all scholars with the world class skills of the Profile of the South Carolina Graduate by aligning educational experiences and opportunities to ensure college and career readiness. Using South Carolina standards, instructors plan and facilitate rigorous lessons delivering innovative instructions in the areas of English Language Arts, Mathematics, Science and Social Studies. In our S.T.A.G.E Magnet Program, instructors naturally integrate standards and elements of the arts to enhance the educational experience for our S.T.A.G.E scholars. Instructors are provided intentional professional development that provides and models daily best practices and teaching techniques. We aim to increase academic performance, increase student engagement and ownership and make education fun! Here at Marshall, we believe that our students are our top priority. We must maintain a safe pleasurable learning environment for all. We believe parental and community partnerships are vital to student achievement. We must take academic and performance risks so that all scholars can learn, grow, and develop their gifts and talents.

We Are MARSHALL! One Vision. One Mission. One Student at a Time.

Helpful Tips

Parents are a major contributor to the overall academic success of the scholar. You can assist your scholar by doing the following:

- Assisting with homework
- Consistent check-ins with the teacher
- Reading for at least 30 minutes per night with your scholar
- Utilizing online academic resources that can be accessed from home
- Becoming an active participant in school functions (PTO, SIC, Information Nights, etc.)
- Utilizing the communication folder and agenda
