2015-2016 Goals

School Climate

- Increase our College Bound Culture
- Increase our College and Career readiness initiatives
- Provide more incentives for academic success for students and teachers
- Revisit and revise our school wide safety plan
- Increase staff morale

School, Family and Community

- Conduct monthly content area nights
- Host a series of community education forums
- Continue our Health and Wellness initiatives
- Continue to support service-learning initiatives
- Increase our home-school literacy initiatives
- Establish a PTO (Parent Teacher Organization)
- Maintain and improve our business and community partnerships
- Send a monthly School Newsletter
- Maintain a Parent Resource Center
- Increase promotion of student and teacher accomplishments

Curriculum, Instruction, and Assessment

- Ensure our teachers and students are ready to fully implement the new South Carolina College and Career Readiness Standards
- Increase our school wide literacy initiatives
- Increase technology amongst tested areas to support a 1:1 classroom in regards to technology
- Continue to support increased technology initiatives amongst all grade levels
- Continue 21st Century
- Maintain and intense focus on intervention in all content areas
- Full implement the American Reading Company in order to establish a school-wide reading culture
- Utilize 2013 PASS data to provide Professional Development for teachers
- Increase STEM (Science Technology, Engineering, and Math) initiatives
- Improve our Response to Intervention for student learning and behavior
- Ensure all our stakeholders are aware of the new South Carolina College and Career Readiness Standards
- Help students discover and nurture their entrepreneurial spirits
