Principal's Message

For the first time in the history of our school, our structure has been redesigned to accommodate grades 3, 4 and 5 only. This equates to smaller class sizes and more personalized learning for our scholars!

In accordance with our district's motto, "Embrace, Empower and Execute for Excellence," our school's theme this year is "It's Time to Deliver. As an elementary school, we lay the foundation and at Mellichamp, and students are provided world class opportunities.

Come see why Mellichamp is one of the most sought after schools in the community to educate students. When you visit, stop by our inspirational boxing ring to learn how we empower our scholars every week to put the "Champ" in Mellichamp!
