## ANNUAL REPORT TO PARENTS

350 Ecklund Circle Orangeburg, SC 29115

### Primary Campus K4-2nd

Rivelon has now been established as a primary school which serves K4-2<sup>nd</sup> grade students. We serve students in the Mellichamp and Rivelon communities.

As the principal of Rivelon Primary School, it is my pleasure to work with such an sensational staff this school year! Our students are our number priority. It is our mission that all students feel welcome, loved and a part of the school family. We seek to create a happy, healthy, and safe learning environment for all of our students. We know that our students must be able to read to be successful in the classroom. To make sure that our students are reading, our teachers spend countless hours planning and developing activities that are fun, interesting and rigorous for student learning. We believe that all of our students must be challenged and engaged to become college and career-ready.
