

# ABOUT OUR SCHOOL

Sheridan Elementary School is located in the inner city of Orangeburg County. We serve PreK through 5th grades with an enrollment of 500 students. We are a Title I school. At Sheridan, we're dedicated to the academic, emotional, and physical success of all students. We work daily to meet the needs of all students we serve.

Throughout the school-year, our goal is to engage parents and community stakeholders in school events. The goal is to ensure our stakeholders are actively participating to support Sheridan Elementary.

Furthermore, staff engages in professional learning opportunities to increase and sustain academic growth for students. Our teachers are charged with instructing students by using standards-based instruction with district approved and supported curricula such as Wit & Wisdom, Eureka Math, FOSS Science, Letterland, and Waterford. Our students are also provided services through our after-school program and reading intervention services utilizing iReady and support from a full-time and part-time Reading Interventionist. In addition to academic support, students receive ongoing emotional support from our guidance counselors through monthly guidance lessons focusing on skills to be successful and utilizing Everfi curriculum.

The success of our scholars is highly important to Sheridan Elementary School.
