## Sheridan's Belief Statements

We believe every student is a valued stakeholder with unique physical, social, emotional, and intellectual needs.

We believe that a challenging curriculum that accommodates a variety of learning styles will enhance student achievement.

We believe that self-discipline and a sense of responsibility are essential to good citizenship.

We believe in the celebration and acceptance of cultural diversity to enhance our school, community, and world are vital to success.

We believe our school's mission is advanced through the shared responsibility of the students, teachers, support staff, administrators, parents and community.

We believe ALL students at Sheridan Elementary can learn!
