#### **Sheridan Belief Statements**

- We believe every student is a valued stakeholder with unique physical, social, emotional, and intellectual needs.
- We believe that a challenging curriculum that accommodates a variety of learning styles will enhance student achievement.
- We believe that self-discipline and a sense of responsibility are essential to good citizenship.
- We believe in the celebration and acceptance of cultural diversity to enhance our school, community, and world are vital to success.
- We believe our school’s mission is advanced through the shared responsibility of the students, teachers, support staff, administrators, parents and community.
- We believe ALL students at Sheridan Elementary WILL LEARN!

#### **Sheridan Elementary Mission Statement**

It is the mission of Sheridan Elementary School, in partnership with our parents and the Orangeburg community, to provide a safe, nurturing and stimulating environment, enabling students to become productive citizens while ensuring that all children feel special and that no child is left behind.
