DISTRICT GOALS

Goal 1: Increase Student Learning

OCSD5 will meet performance standards yearly on local, state and national tests while closing the achievement gap.

Goal 2: Improve Resource Management

The district will base all financial decisions on an annual zero-based budget protocol to ensure that they are matched with district goals and the strategic plan.

Goal 3: Improve Human Capital

The district will focus on retaining, training and developing the best personnel at all levels by utilizing a yearly evaluation system, as well as recruiting highly qualified personnel according to national, state and district guidelines.

Goal 4: Increase Engagement

The district will increase opportunities that promote stakeholder involvement and engagement each year.

Goal 5: Safety Above All Else

All stakeholders will be satisfied with the safety and security of the school climate in OCSD5 as measured by national, state and local data in the areas of learning environment, home-school relations, social, and physical environment.
