Our Mission

We educate to Energize, to Engage, to Elevate, to Empower!

Our Vision

The vision for North Middle High School is for the culture to be a collaborative community of learners who are engaging students through 21st Century Skills through the Profile of the South Carolina Graduate to become successful world-class citizens as we prepare them for college and career readiness.

Here at North Middle High School we instill authentic learning through our professional learning communities to support student achievement and to enhance project-based learning for all of our students. To that end, we embrace the whole child approach to learning as well as to enhance students' social emotional needs. We believe in enhancing our students' soft skills to develop perseverance, grit, interpersonal skills, leadership skills, work ethic, and integrity with the goal to prepare them for life beyond the high school experience.

All the Way Up!
