AVID

North Middle/High School is proud to announce that it is an official AVID site. AVID Advancement Via Individual Determination -- an elective course offered at our middle school level. This course will prepare students for the rigors of college prep classes by providing study and organizational skills as well as tutorial help from high school honor students. Teachers of the AVID Elective course received extensive training in the AVID structures and system during a Summer Institute, as well as follow-up training during the school year. AVID teachers will engage in another Summer Institute this July AVID is open to select students grades 6-10 and supports the transition of ninth and tenth graders into a middle college curriculum.

Teacher 50

At the start of the school year, the principal shared the book *Teacher 50* by Baruti K. Kafele with the teaching staff at North Middle/High School. With the belief that each teacher can make a difference in the lives of students, teachers were each asked to reflect and re-discover his or her passion for teaching, engaging, and motivating students.
