

OUR Mission

Orangeburg Consolidated School District 5 exists to ensure academic success for all students.

OUR Goals

1. Increase Student Learning
2. Improve Resource Management
3. Improve Human Capital
4. Increase Engagement
5. Safety Above All Else

NMHS Senior Scholars

AVID

North Middle/High School is proud to announce that it is an official AVID site. AVID Advancement Via Individual Advancement -- an elective course offered at our middle school level. This course will prepare students for the rigors of college prep classes by providing study and organizational skills as well as tutorial help from high school honor students. Teachers of the AVID Elective course received extensive training in the AVID structures and system during a Summer Institute, as well as follow-up training during the school year. AVID teachers will engage in another Summer Institute this June. AVID is open to select students grades 6-8 and supports the transition of ninth and tenth graders into a middle college curriculum.

One Word

At the start of the school year, the principal initiated "One Word" with the teaching staff at NMHS. With the belief that words are powerful, each teacher chose one word that represented his or her vision for the school year. Teachers were asked to live their chosen word personally as well as professionally. The one word concept was drawn from the book *One Word That Will Change Your Life* by authors Jon Gordon, Dan Britton, and Jimmy Page.

NORTH MIDDLE - HIGH SCHOOL

North Middle/High School exists to ensure academic success for all students.
