

OUR MISSION

Orangeburg Consolidated School District 5 exists to ensure academic success for all students.

OUR GOALS

1. Increase Student Learning
2. Improve Resource Management
3. Improve Human Capital
4. Increase Engagement

PRINCIPAL'S MESSAGE

The 2012-2013 school year brought some great accomplishments for our school. North Middle-High School was one of nine schools

around the state with a poverty index above 90% that received an absolute rating of Excellent on the state's school report card. In March, our school was awarded the prestigious Palmetto Gold award, and in May, we were ranked a bronze medal school by *US News & World Report*. These accomplishments are a sign of great teaching and learning at our school.

Each day our teachers come to school with quality lessons for students. Our teachers use our district pacing guide, our *Teaching and Learning Framework*, and our recently upgraded technology to challenge students, consequently, making lessons more engaging and relevant. Students also benefit from our *Go To College Center*. This room offers students a chance to obtain information about college, as well as hear representatives from local colleges. This year our students visited ten colleges in our state.

Our community has been a huge factor in the success of North Middle-High School. Local businesses participated in our district-wide college day and our community members assisted us with Red Ribbon Week to support our anti-drug campaign. Our community was also crucial to our district gaining AdvancED accreditation. Finally, the community has helped our school provide programs like the Spring Honors and Awards program and the Baccalaureate Service.

We appreciate all stakeholders who combine together to make our school achieve great success!

NORTH MIDDLE - HIGH SCHOOL

2012-2013 Palmetto Gold Award Winner
2013 *US News & World Report*
Bronze Medal Winner

Eagle P.R.I.D.E
