

D.W. Daniel High School,

As quickly as it began, the 23-24 school year will soon be over. With a few weeks left in the school year, the staff and students at D.W. Daniel High School are working feverishly to learn the final standards and everyone is preparing for Exams, EOCs, and AP Exams. With that preparation comes the stress of these pressure-filled assessments. Please continue checking in with your students and let us know if they need additional support.

We are also in spring playoff and concert season. There are so many great ways to come out and support the whole development of our young people as they continue our tradition of excellence. That tradition of excellence has only grown this year:

- Excellent on the School Report Card
- 4 National Merit Finalists, 2 Honorable Mention
- Tied for first in the state with the Top SAT scores for traditional public high schools
- State Championship in Football
- Individual State Champion and Team Runners Up in Girls Golf
- Runners up in the state in Girls Cross Country
- Runners up in the state in Girls Tennis
- Second Consecutive State Championship in Marching Band

With the end of the year, it is almost time to say goodbye to the Class of 2024. We are very proud of these young people and all they have accomplished so far. This class has engaged in high school and taken advantage of and enhanced D.W. Daniel High School. When we engage in the opportunities we have today we will be empowered tomorrow.
