Coaches' Corner

Mrs. Serina- Instructional Coach

Liberty High School teachers have dedicated this year to working collaboratively and helping our students succeed. Throughout the semester, they have developed collaborative teacher time to create shared assessments, exchange effective teaching methods, and evaluate student performance, all to better cater to our students' educational needs. Additionally, they have created fun and interactive clubs for students to attend during our structured Flex time. Seeing students select clubs that excite, challenge, and

support their interests and needs has been one of the most rewarding parts of our year. Our teachers are determined to encourage our students and improve our school a little more every year. We can't wait to start planning for next year!

Athletics

From the Athletic Director:

As the athletics year comes to a close, I want to extend a heartfelt THANK YOU to the entire Liberty community for your unwavering support of our athletic teams throughout this school year. Congratulations are in order for all of our teams on their successes, and I want to give special recognition to our athletes who were selected for All-Region, All-State, and to those who won state championships. A big shoutout goes out to all of our coaches for their dedication, hard work, and for pouring into our student-athletes.

As we transition into the summer, please keep in mind:

- Athletes should see their head coaches for their June/July practice and workout schedules.
- All student-athletes must have an updated sports physical (completed after April 1, 2024) to be eligible for participation in the 2024/2025 athletic school year.

Wishing everyone a great summer, and GO RED DEVILS!
