

Liberty High School

Engaging today. Empowering Tomorrow

Dear Liberty Families,

As we wrap up another school year, I want to take a moment to reflect on an incredible year of growth, success, and community.

This year, **166 Red Devils walked across the graduation stage**, and for the first time in our school's history, **Liberty High School reached a 90% graduation rate**. This milestone is not just a number—it reflects the hard work and perseverance of our students, the dedication of our staff, and the unwavering support from you, our families.

Every student who earned a diploma this year did so with grit and heart, and I could not be more proud of them. We have witnessed powerful moments of learning, leadership, and school spirit—and I am confident that our graduates are walking away not only prepared for what's next, but proud of where they came from.

Thank you for your partnership, encouragement, and belief in Liberty High School. We are stronger because of you.

Wishing you and your family a restful, safe, and joyful summer.

Mr. Johnny Garrett, Principal
