

2025–2026 School Year
From the Office of the Principal

Dear Liberty High School Families,

It is an honor to serve as principal of Liberty High School and to share with you an update on the continued progress of our school.

Our Commitment

Liberty High School remains committed to preparing students for success beyond graduation—whether that path leads to college, the workforce, or military service. Through strong instruction, meaningful relationships, and a focus on continuous improvement, we are working to ensure every student has the opportunity to succeed.

Celebrating Our Successes

This school year has been one of continued growth and achievement:

- **Graduation Rate:** Liberty High School achieved a record-setting 92.6% graduation rate, the highest in school history and a reflection of the hard work of our students, staff, and families.
- **Academic Opportunities:** We continue to expand access to rigorous coursework, including Advanced Placement and dual enrollment opportunities, while also supporting students through targeted interventions.
- **Student Involvement:** Our students are actively engaged in athletics, fine arts, and extracurricular activities. From championship-level performances to club involvement, participation remains strong across campus.
- **Programs of Excellence:** Our JROTC program earned Honor Unit with Distinction, and our band program received statewide recognition for excellence.

Focus Areas for Improvement

While we celebrate our success, we remain focused on areas that will move Liberty forward:

- **Instructional Growth:** We are strengthening classroom instruction through professional development and a focus on effective teaching strategies that meet the needs of all learners.
- **Student Support Systems:** Continued emphasis on intervention, remediation, and enrichment ensures that no student falls through the cracks.
- **Co-Teaching Model:** As we prepare for the upcoming school year, we are implementing a stronger co-teaching model to better support diverse learners in the classroom.
- **School Culture:** Building positive relationships and maintaining a safe, supportive environment remains a top priority.

Looking Ahead

As we move forward, our goal is simple: get better every day. We will continue to challenge our students, support our teachers, and partner with our families to ensure Liberty High School remains a place where students thrive.

A Final Word

I am proud of the work happening at Liberty High School. More importantly, I am proud of our people—our students, our teachers, and our community. The success of our school is a direct result of the commitment we share to doing what is right for kids.

Thank you for your continued support of Liberty High School.

Sincerely,
Johnny Garrett
Principal, Liberty High School
