Building success beyond the classroom

SIC /School Improvement Council- Report to Parents on April 26, 2024 re: 2023-2024 School Year.

Based on our Recent State Testing in May of 2023, I am very Proud of our Students' Academic Performance in Reading and Math in grades 3-5 as well as 4th Grade Science scores that put us in the Top 3 out of All 14 Elementary Schools in our District along with Clemson Elementary and Forest Acres in Easley. That is a testament to our Wonderful, Talented Ambler Teachers and Positive School Culture!! I am Proud of the Growth of All of our Ambler Students from the first MAP test until the 3rd MAP test at the end of the school year. I am proud of Pamela Clarkson for earning 24-25 Teacher of the Year as well as Anna Burgess for earning 24-25 Support Employee of the Year. It has been a Successful Year at Ambler!!
