

Ambler Elementary School

Building success beyond the classroom

SIC Report to Parents on May 22, 2025

I am Proud of the fact that we found out in the fall of this school year that we were one of the 4 Elementary Schools in our District that scored “Excellent” on the State Report Card due to our high Test scores in Grades 3-5 on State Testing. We have a special school full of Talented Teachers and Students who work hard to please their Parents and Teachers here at Ambler. I am very Proud of the Strong Foundation we are giving our Ambler Children to prepare them for Middle School, High School, and future Education. I am looking forward to the 25-26 year! Our Teacher of the Year for 25-26 is our Resource Teacher, Lynn LeClair. Our Support Employee of the Year is our Resource Assistant, Amanda Case. We are Thankful for our Supportive Parents.

SIC Chair; Mrs. Kayla Ward

Principal; Dr. J. Carlton Lewis
