

School Mission

Dacusville Elementary School, uniting with the home and community, will guide and promote the lifelong process of learning for all students, through quality educational opportunities in a safe and nurturing environment.

School Beliefs

- Students are our first priority.
- We must pursue excellence.
- Education must occur in a safe, caring learning environment for all students and staff.
- Learning and education are lifelong processes.
- All students must have equitable educational opportunities.
- All people are unique and valuable.
- All people can learn and contribute to society.
- Education is a shared responsibility.
- Education is the key to success.
- Cultural diversity promotes full development of the individual and society.
- The parent is a child's first teacher.
- Today's schools shape tomorrow's workforce.
