- Clap Out for 5h Grade Including Families

C. 2020-2021 Instructional Program Initiatives

A focus for the year has been on MTSS (Multi-Tiered Systems of Support) to review the progress and success of each students following the statewide school closure in March, 2020 to support our students returning in August, 2020 for school as well as whethose who returned in January, 2021 after a semester of virtual school.

- Another focus this year has been to support our teachers with the time needed during planning to allow them to be able to reflect and prepare for their daily lessons. This year's demands are greater than any year in the past due to procedures and policies in place. We have worked to honor our teachers with the time needed to be able to have adequate planning daily to give them support in the demands each day.
- Each teacher is evaluated each year following state and district guidelines to support and encourage them

D. Plans for 2021-2022

- Increased in-class and out-of-class opportunities for our students following updated guidelines and parameters for 2021-2022.
- Increased work with MTSS (Multi-Tiered Systems of Support) to assist all students in reaching their full potential.
- Implementation of a school wide Interventionist to support students in both ELA and Math.
- Focus on making 2021-2022 school year the best year ever!
