

The School Improvement Council strives to support the school through interactions between school and home/parents, to offer information regarding current needs/strengths/weaknesses of the school as a whole, to survey parents about how to improve existing conditions, to keep parents informed of current legislative issues, and to support the PTO in current endeavors.

Highlights of the Year

- Over 83% of K5 met their MAP math goal!
- 1st graders were 2nd in the district for MAP reading growth.
- Our 3rd graders had the highest percentage of SC READY met and exceeds students in the district.
- 4th grade ranked third in the district for the number of students who scored and met or higher on SC READY ELA.
- 5th grade claimed the third spot in the district for SC READY met and above in math.
