## Mission Statement

Hagood Elementary School, a recognized community with a vision of excellence, will build a foundation for lifelong learning and productive citizenship for all students by providing a comprehensive, creative curriculum in a safe and nurturing environment.

## Beliefs

We believe . . .

- ✓ Students are our first priority.
- ✓ In the pursuit of excellence.
- ✓ In a safe, caring learning environment for all students and staff.
- ✓ Learning and education are life-long processes.
- ✓ All students must have equitable educational opportunities.
- ✓ All people are unique and valuable.
- ✓ All people can learn and contribute to society.
- ✓ Education is a shared responsibility.
- ✓ Education is the key to success.
- ✓ Cultural diversity promotes full development of the individual and society.
- ✓ The "parent" is a child's first teacher.
- ✓ Today's schools shape tomorrow's workforce.
- ✓ Early years are the foundation of a child's future.

## Learner Standards/ Performance Goals

100% of students will be prepared for future academic and career success.

100% of students will achieve district-established standards.

## Strategies

We will ensure a safe, caring, well-maintained environment.

We will develop and implement a student-centered instructional program to ensure high academic achievement and to prepare students for future success in their education and careers.

We will organize a public relations effort to strengthen the school program, expand parent and community involvement, and to form an alliance with business.
