

Report to the People
Presented by the School Improvement Council (SIC)
Hagood Elementary School – 2025-2026 School Year

Dear Parents, Guardians, and Community Members,

The School Improvement Council (SIC) of Hagood Elementary School is pleased to share highlights from our efforts and progress during the 2025–2026 school year.

Our Mission

The SIC works collaboratively with school leadership to support academic achievement, promote family engagement, and help guide school improvement strategies.

Key Accomplishments This Year

Academic Focus

Through our Title I Plan, we funded an interventionist who provided targeted Tier 3 interventions for students needing additional support. Our RISE facilitator worked diligently to help close learning gaps for students across all grade levels. Additionally, our highly qualified teachers continue to strive for excellence each day by delivering engaging, high-quality Tier 1 instruction that supports the success of all learners.

Family Engagement

We hosted two successful family event nights and several family/parent workshops throughout the year. Our families also generously supported many school events through volunteer efforts, including Field Day, Read Across America Week, All Pro Dads, PTO/SIC meetings, Book Fair, Santa Shop, field trips, Parent Picnic, Veteran's Day Program, Special Olympics, Awards Day Ceremonies, and more.

Campus Improvement

Supported efforts helped create a new walking path to the G2i Career Center, two outdoor classroom spaces, and additional seating with outdoor classroom tables in our courtyard.

Student Support

The SIC assisted in promoting school and special events through social media and flyers to increase student participation. One highlight was our Read to Lead event, where community

leaders such as local firefighters, principals, and other professionals visited the school to read with students and encourage a love of learning.

Looking Ahead

We are excited to continue supporting school initiatives with a focus on improving attendance, strengthening community partnerships, and ensuring all students feel safe, supported, and empowered to grow.

We thank all parents, staff, and community partners for your continued involvement and commitment to student success. If you are interested in joining the SIC or learning more, please contact the school office.
