

Hagood Elementary

School Improvement Council
Report to Parents and Community
2023 – 2024

Mission and Beliefs

At Hagood Elementary School, our mission is to educate all students to the highest levels of academic achievement, to enable them to reach and expand their potential, and to prepare them to become productive, responsible, ethical, creative, and compassionate members of their communities.

Learner Standards/Performance Goals

100% of students will be prepared for future academic and career success.

100% of students will achieve district-established standards.

We believe . . .

- Students are our first priority.
- In the pursuit of excellence.
- In a safe, caring learning environment for all students and staff.
- Learning and education are life-long processes.
- All students must have equitable educational opportunities.
- All people are unique and valuable.
- All people can learn and contribute to society.
- Education is a shared responsibility.
- Education is the key to success.
- Cultural diversity promotes full development of the individual and society.
- The “parent” is a child’s first teacher.
- Today’s schools shape tomorrow’s workforce.
- Early years are the foundation of a child’s future.

Strategies

- We will ensure a safe, caring, well-maintained environment.
- We will develop and implement a student-centered instructional program to ensure high academic achievement and to prepare students for future success in their education and careers.
- We will organize a public relations effort to strengthen the school program, expand parent and community involvement, and form an alliance with businesses.
