CLEMSON ELEMENTARY SCHOOL

2023 Report to Parents

Our Vision

The Clemson Elementary family will create a child-centered community where each student, inspired by a love of learning and rigorous educational experiences, is empowered to positively impact the global community.

What We Value

Love of Learning * Reflection * Collaboration
Active Learning * Community

David W. Thompson, Principal

Alyson Dyar, Assistant Principal

Kathryn Williams, Assistant Principal

Vision and Values in Practice

World-class learning opportunities for students abound across the Clemson Elementary campus. Fine arts programs, community service projects, STEM enrichment, and project based learning experiences are the types of activities that regularly promote student engagement and active learning. In addition to school day happenings, after school care programming also supports student growth in academics and students' targeted areas of interest.

Recognized in 2021 as a National Blue Ribbon School for Exemplary High Performance, a tradition of excellence has long been an essential part of Clemson Elementary School's culture. Highly qualified and dedicated faculty and staff provide a safe and academically challenging environment for students in the Clemson area. Together with stakeholders, the school celebrates a learning community that is known for rich cultural diversity and a commitment to each student's success. Faculty and staff recognize that every child brings his or her own set of experiences, interests, learning styles, and expectations into the classroom. Making every day a great day to learn has been a priority since the school's opening.
