Our Vision

The Clemson Elementary family creates a child-centered community where each student—grounded in a love of learning and engaged in rigorous educational experiences—is empowered to positively impact the world.

Vision in Action

Clemson Elementary provides world-class learning experiences daily through fine arts, STEM, service-learning, and hands-on instruction. As a National Blue Ribbon School (2021), we continue a strong tradition of excellence supported by dedicated staff, families, and community.

What We Value

Love of Learning • Reflection • Collaboration • Active Learning • Community
