We focus on developing the whole child by:

- Teaching leadership to every student.
- Creating a culture of student empowerment.
- Aligning systems to drive results in academics.

### Title I

West End is a schoolwide model Title 1 school. With our Title 1 funds, we lower class size in 3 grade levels, provide a Title 1 Facilitator, two instructional interventionists, and a special education assistant. We also provide math and reading materials for our classrooms that are above and beyond what the district provides. Lastly, we fund family engagement events and professional development for our teachers so that all stakeholders come together for the success of each student we serve.

### Goals

- **All** students have access to high quality Tier 1 Instruction.
- **All** students achieve mastery of grade level essential standards and school essential behaviors.
- **All** parents will be provided with resources, strategies, and information to aid in student success.
