## Community Profile

### Join Our Shark Family!

Our National Award Winning Science, Technology, Engineering, & Math (STEM) magnet school family of 500+ PreK3-grade 5 students and 70+ staff members is an award winning Easley, South Carolina elementary school of choice located in Pickens County.

We believe that STEM education prepares our students for SUCCESS! Why choose STEM?

1. STEM jobs are the future of our economy.
2. STEM teaches critical thinking, teamwork, innovation, and provides opportunities for problem solving.
3. STEM classes stress using state-of-the-art technology tools and access to a project-based Shark Tank laboratory.
4. Stem foundation Pillars: Biomedical Science, Computer Science, and Engineering.

We offer primary (3K-5K) and lower elementary (grades 1-3) child-centered Montessori Education classes that promotes the development of the whole child.

Check out our students in action!

### Kids First = MAST!

Our primary focus is always on our students, STEM, and the Engineering Design Process of *Ask, Explore, Model, Evaluate, and Explain*-in all subjects and at every grade level!

Our students learn through a hands-on, project-based learning approach, so that skills are applicable to their everyday life. We want learning to be relevant, engaging, and FUN!

We offer affordable and caring before and after school child-care services and extracurricular robotics, coding, cooking, gardening, athletic, and gaming clubs.
