

Diamond Hill Elementary School is "A great place to shine"! A rural school with a population of approximately 300 students in grades four-year-old kindergarten through seven, Diamond Hill Elementary School is the heart of the "Nation" community. Family values and pride are ingredients that drive all members of our school family to be the best! The ethnicity of the school is 89% Caucasian, 10% African American, 1% other. The socioeconomic status of our families is in the range of low to middle income. We have 67% of our students on free or reduced meals.

Terric Kids

Diamond Hill Elementary School is dedicated in helping all students develop the world class skills and life and career characteristics of the Profile of the South Carolina Graduate by providing a safe and family environment. In the classroom, our faculty and staff are second to none! The dedication and love that they give to these children will last a lifetime. The former students returning to visit faculty and staff are a testament to their love of Diamond Hill !

**The mission of
Diamond Hill Elementary**
is to challenge students every
day to learn and to be a
shining success in school and
in life.

Our beliefs:

- Student learning is the chief priority for the school.
- Each student is a valued individual with unique physical, social, emotional and intellectual needs.
- All students can learn.
- The commitment to continuous improvement is imperative if our school is going to enable students to become confident, self-directed, lifelong learners.
- Exceptional students require special services and resources.
- Curriculum and instructional practices should incorporate a variety of learning activities to accommodate differences in learning styles.
- A student's self-esteem is enhanced by positive relationships and mutual respect among and between students and staff.
- Teachers, administrators, parents and the community share the responsibility for advancing the school's mission.
