# SIC Annual Goals

The School Improvement Council (SC) for Lower Richland High School has worked over the last five years to build a culture of pride for the students. The group provided opportunities to highlight past Alumni and many of their accomplishments.

Plans for the upcoming year will continue to build on what has already been established while working to increase parental engagement and schoolwide volunteerism.

## “The Diamond Mine”

Lower Richland High School has graduated distinguished alumnae to include doctors, politicians, news anchors, educators, and professional athletes. As “An Institution of Excellence” for the southeast communities of Richland County, our mission is to engage students in a positive, productive, and innovative learning environment so that they can become successful, responsible, and competitive in a global and technological society.

Lower Richland High School offers Science, Technology, Engineering, and Math (STEM) and International Baccalaureate (IB) programs which provides students with college and career readiness programs. The IB program has partnered with the Career and Technology Education (CATE) department to create career paths of study and certifications to give students real world career experiences. Program offerings include: CATE certification programs include: Cosmetology Licensure, Firefighter Program, Certified Nursing Assistant (CNA) CPR/First Aid, ServSafe, AAFCS Pre-Pac, and WISE Financial Literacy. CATE course offerings include: Business, Information Technology, Web & Digital Communications, Family & Consumer Science, and Culinary Arts. Lower Richland offers many courses in the areas of fine arts, visual arts and world languages. Lower Richland is also an Arts in Basic Curriculum Site.

As the school continues to grow, we will continue to strive to follow our vision of “educating one child at a time” by providing a variety of opportunities for all students to excel.
