Cultivate • Elevate • Collaborate

SIC Annual Goals

The School Improvement Council (SIC) for Lower Richland High School has worked over the last five years to build a culture of pride for the students. The group provided opportunities to highlight past Alumni and many of their accomplishments.

Plans for the upcoming year will continue to build on what has already been established while working to increase parental engagement and schoolwide volunteerism.

Marcus Corbett, SIC Chairperson

Student Achievement

Graduation Rate for 2020

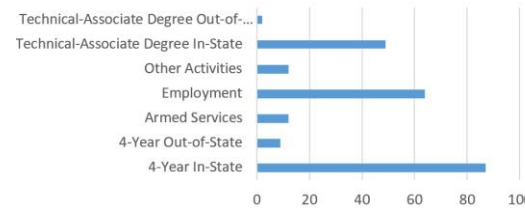

Lower Richland High School has an 81.8% graduation rate for 2020 which is a slight increase from 2019.

Post Secondary Data Class of 2020

“For more information, you may view Myschool’s “S.C. School Report Card” for the previous school year online South Carolina Department of Education Website or click Lower Richland Report Card 2021.

“The Diamond Mine”

Lower Richland High School has graduated distinguished alumnae to include doctors, politicians, news anchors, educators, and professional athletes. As “An Institution of Excellence” for the southeast communities of Richland County, our mission is to engage students in a positive, productive, and innovative learning environment so that they can become successful, responsible, and competitive in a global and technological society.

Lower Richland High School offers Science, Technology, Engineering, and Math (STEM) and International Baccalaureate (IB) programs, which provide students with college and career readiness skills. The IB program has partnered with the Career and Technology Education (CTE) department to create career paths of study and certifications to give students real-world career experiences. Program offerings include: CTE certification, Cosmetology Licensure, Firefighter certification Program, Certified Nursing Assistant (CNA) CPR/First Aid, ServSafe, AAFCS Pre-Pac, and WISE Financial Literacy. CTE course offerings include: Business, Discovering Computer Science, Project Lead the Way (PLW), Web & Digital Communications, Family & Consumer Science, and Culinary Arts. Many courses in the areas of fine arts, visual arts and world languages are offered, and Lower Richland is an Arts in Basic Curriculum Site, and U of SC Professional Development Site.

As the school continues to grow, we will continue to strive to follow our vision of “educating one child at a time” by providing a variety of opportunities for all students to excel.
