Beta Club

Cheerleaders

Volleyball

Basketball

Football B-Team

FCA Club

Yearbook

Track

Step Team

African Exchange

Student Government

University of South Carolina Talent Search

ST. ANDREWS MIDDLE SCHOOL DATA

The 2012 PASS scores serve as baseline data from which needs have been identified and strategies developed to address those needs. Total school data showed over 64% student mastery in Math, 65% student mastery in Writing and 60% student mastery in English Language Arts, 67% student mastery in Social Studies, and 59% student mastery in Science.

Strategies to address deficiencies include:

- Teachers continue to accelerate the learning at each grade level.
- An after-school program is available for all students..
- Collaboration continues between the extended day program teacher and the regular day classroom teacher in order to address deficiencies.
- Students will participate in pull-out classes and tutoring sessions to target small groups of students in standards-based instruction.
- Vertical Team Articulation continues to be provided to the teachers—collaboration between grade level teachers in each content area.
- Additional assistance is provided via computer-assisted instruction with Study Island, Read 180, System 44, e2020 and USA Test Prep.

Purpose of the SIC Annual Report

This report is provided to parents in compliance with South Carolina statute (Act 135 of 1993) which requires each of the state School Improvement Councils to publish and distribute to parents by April 30th. It presents information about our school's accomplishments in the 2012-2013 school year.

Our School Improvement Council (SIC) reviews our goals and achievements and reports progress to our school family and community through regularly scheduled meetings and publications.

School Renewal Goals 2012-2013

St. Andrews Middle has established the following goals for the year:

- ◆ The percentage of students in grades 6-8 who score Met or Exemplary on all areas of PASS 2012 will increase by 15% or more on PASS 2013.
- ◆ Increase parental participation and business partnerships.
