Literacy

Students participated in the D.A.Z.E of Sharon M. Draper where each grade level was assigned a novel to read: Out of My Mind (6th) Blended (7th), and Stella by Star Light (8th) in preparation for the virtual author's visit. Students completed discussion questions and activities to assess their comprehension.

Technology

All rooms have internet access, SMART boards and computers to assist in providing students with a varied curriculum that attempts to meet the needs of all students according to grade and intellectual levels. Teachers receive monthly training to stay abreast of current technological advances. Students are issued laptops. This initiative expands the integration and use of technology as powerful tools for teaching and learning.

- One teacher at St. Andrews Middle School was named a SMART Innovator.

Community Service Initiatives

Our school continues to make a positive impact in the community. Students expand their worldview, develop empathy, and leadership skills. Volunteering provides students the opportunity to take an active role in their community.

- Walk for Life- Breast Cancer Awareness
- March of Dimes- Health of all moms and babies.
- Harvest Hope Food Bank- Collected canned goods and non-perishable items.
- United Way- Services for homelessness and basic health services.

Goals for Next Year

- Maintain a **safe, orderly environment** that fosters effective teaching and learning.
- Continue to develop a culture of **quality customer service**.
- Increase the effective use and **integration of technology** in classroom instruction.
- Use **data and assessments** to monitor and adjust instructional practices.
- Employ practical, **research-based literacy strategies** across the curriculum to improve academic achievement.
