### ABOUT THIS REPORT.....

The school Improvement council of Bradley Elementary School has prepared the annual school report for you and the community. The report reviews the progress and growth made last year, reviews last year's test scores, and describes plans for improvement this year. Enclosed you will find an account of the progress we made toward accomplishing targeted goals in 2016-2017, as well as, the desired results for student learning that have been made a priority for this school year. If you have any questions about the information summarized here, please contact Mrs. Kezia Myers, Principal, or Mrs. Natasha Dais, SIC Chair at (803) 738-7200.

## School Highlights & Awards

### 2016-2017 In Review:

- A balanced literacy/response to intervention block was established for all grade-levels. This 25-30 block during the school day is designed to provide teachers with additional time to work with students one-on-one and in small differentiated groups on areas of weakness as identified by MyIgdhis, SC Ready, SC PASS, DRA 2, Fountas and Pinnell and other assessments.
- A data room was created in which a data card for every student is maintained. All faculty members are able to assess how students are doing on common assessments and state testing administration.
- Teachers analyzed assessment data via Mastery Connect and mapped students' performance from the beginning of the school year to the years' end in effort to determine students' growth and as a means for providing targeted lesson based on students' academic needs. Students were also provided feedback on their performance.
- Continuous implementation of Technology Lab is being used to improve reading achievement scores via Lexia Core 5.

### Awards & Other Points of Pride

- USDA Fresh and Vegetables Grant
- Third year of implementation of the Positive Behavior Intervention Support Program (PBIS)
- Held Video Conferencing Sessions
- Interactive Whiteboards in every classroom
- Three National Board Certified Faculty Members
- 100% Highly Qualified Teaching Staff
- 1:1 Computing in grades 3-5

## Goals for Next Year

- To increase our students' scores on the state assessments in each content area by 5% or more;
- To provide greater opportunities for hands-on learning in science by refurbishing our FOSS kits and ensuring the use of FOSS kits and Discovery Learning in all science classes;
- Ensure greater numeracy skills of our students by fostering a love of math through games, competitions, and increased critical thinking skills;
- Ensure the use of United Streaming videos and Social Studies Weekly as a means for improving Social Studies scores.
- Implement Blended Learning.
- Implement Project Based Learning.
- Increase student and parental awareness of the profile of a SC graduate.
