We are Brennen Elementary School, a leader in transforming lives through education, empowering all students to achieve their potential and dreams.

School Highlights & Awards

Over the last ten years, Brennen has achieved six Excellent ratings and four Good ratings on the SC School Report Card. In six of the past nine years, the school has made Adequate Yearly Progress (AYP), including AYP in all 21 areas in 2010. Elementary and Secondary Act (ESEA), which is part of the No Child Left Behind (NCLB) Act of 2001 is federal legislation that promotes student achievement through school and district reform. Brennen's grade based on the ESEA was a B. Brennen has also received the Palmetto Gold or Silver award in 11 of the past 12 years.

Writing	85%	81%
ELA	83%	84%
Math	82%	83%
Science	77%	77%
Social Studies	77%	83%

Goals for Next Year

GOAL 1: Increase Student Achievement

The school used Dominie Text Leveling, MAP, District Benchmark Assessments, Common Assessment, and PASS data to monitor and guide instruction. We continue to use AIMSweb benchmark testing in Kindergarten-Second Grade. This assessment gives us data on students three times a year (Fall, Winter, and Spring). In addition, we use AIMSweb to help progress monitor students that participate in our intervention classes as well as those receiving intervention in classrooms.

To boost student achievement in all areas, Brennen continued the implementation of a school wide writing program (Empowering Writers) and continued with PBIS (Positive Behavior Intervention System), our school wide student discipline plan.

Daily classroom instruction is infused with the latest technology: Smart Boards, a wireless mobile computer lab, laptops, digital cameras, LCD projectors and new this year, iPads. Thanks to our PTO, we have four-30 station iPad carts. PTO continues to maintain

our award-winning outdoor classroom for hands-on lessons in science.

GOAL 2: Increase Parent Involvement

PTO, SIC, and the volunteer network provide a wide variety of events and opportunities to allow anyone to get informed and involved. Events include the Back-to-School Bash, Boosterthon, Harvest Happening, Walk Your Child to School Day, Grandparents' Day, 5th Grade Science Fair Prep Night, Bingo Night, Used Book Sale, general membership meetings, and the Brennen School Auction that regularly draws hundreds of attendees.

PTO FUNDRAISING CONTINUES TO BE RECORD BREAKING!

TOTAL \$95,560

These funds directly support Brennen students and school programs.

Getting accurate, timely information to families is critical. Our channels of communication include the bi-weekly Pawprints newsletter, guided tours for prospective parents, Brennen and Brennen PTO websites for class and event information, weekly email blasts, computerized phone messaging and new student registration packets. Our PTO even uses Facebook and Twitter to push information out to parents and our community. Volunteers logged over 4,000 hours helping the Brennen family.

GOAL 3: Increase Teacher Quality

Educators continued to increase their professional development that promotes team curriculum writing to integrate standards across subjects, effective instructional strategies, and establishing and maintaining relationships with families and the community.

Teachers attend professional development workshops, enhancing their ability to integrate the Common Core Curriculum and stay ahead of changes in education. Teachers also receive recertification credits through the District.

Teachers work collaboratively in Professional Learning Communities to integrate curriculum. In addition, they often serve as professional development presenters to faculty and staff.
