ABOUT THIS REPORT.....

The School Improvement Council at Crayton Middle School has prepared the annual school report for you and the community. The report reviews the progress and growth made last year, reviews last year's test scores, and describes plans for improvement this year. Enclosed you will find an account of the progress we made toward accomplishing targeted goals in 2017-2018, as well as the desired results for student learning that have been made a priority for this school year. If you have any questions about the information summarized here, please contact Ms. Angela Burns, Principal, or Ms. Mitzi Daniels, SIC Chair at (803) 738-7224.

TECHNOLOGY

Our classrooms have Smart Boards, student computers, and projectors. Our school has three classroom sets of iPads and four classroom sets of laptops for student instruction. In the 2015-2016 school year, we rolled out the DLE (Digital Learning Environment) supported by the District. This initiative allows each student to have a laptop. This will help prepare our students to be college and career ready. Teachers incorporate technology in ways that promote student engagement. The use of technology allows students to experience real world scenarios.

Goals for Next Year

- To increase annually the percentage of students who meet or exceed state standards in the content areas assessed by SCPASS
 - Use data and grade-level indicators to drive instruction
 - Common assessments are created by teams for uniform measurement
- To ensure that faculty and staff are knowledgeable, competent, and productive
 - Department and grade-level teams use common planning to tap the strengths of each team member and promote collaboration to improve teaching strategies
 - Professional learning communities allow for sharing and growth among teachers
- To create, maintain, and enhance a school environment that is child centered, safe, and promotes healthy behaviors
 - Crayton Cavalier Character Traits
 - Increase healthy food options
 - Increase opportunities to improve fitness
