SCHOOL MISSION STATEMENT

The Mission of A. J. Lewis Greenview Elementary School is to develop competent, secure, responsible students, who are life-long learners, and productive members of society by creating a safe, nurturing environment, and providing challenging learning experiences that enhance each student's character and promote academic excellence with the cooperation of the school, family, and community.

SCHOOL BELIEFS

- *All students can learn and succeed.
- *All students learn in different ways.
- *Each person has the right to be treated with dignity.
- *Challenging expectations increase individual student performance.
- *Teachers, parents, and the community share the responsibility for the support of the school's mission.

Service Learning and Community Projects

Student Council Project: The Lewis Greenview's students, faculty and staff participated in two projects during the holiday: Palmetto Project Families Help Families (Adopt-A-Family) and the Harvest Hope Food Bank Drive. Monetary donations of \$599.66 were raised to purchase items for two families the school adopted and over 600 pounds of non-perishable food items were collected for Harvest Hope Food Bank.

Cooperative Youth Community Leaders

Gentlemen's Club

CYCL, Cooperative, Youth Community Leaders, has logged in many volunteer hours this year to help our Greenview community. During Thanksgiving, we were able to sponsor full Thanksgiving meals to five needy families.

During a major thunderstorm in the Greenview community, the trainees obtained over 100 community service hours helping the families who were affected by the storm. Students assisted by picking up limbs and debris. This was only the beginning for them! We are now engaging in another Neighbors Helping Neighbors campaign with the student body giving back to those in the community.

Thus far, the trainees have obtained over 300 community hours.
