Lusungu Sibande-Simwinji, Reading Coach

ABOUT THIS REPORT...

The School Improvement Council of Hopkins Elementary School has prepared this annual school report for parents and the community. The report reviews the progress and growth made last year, reviews last year's test scores, and describes plans for improvement this year. Enclosed you will find an account of the progress we made toward accomplishing targeted goals in 2017-2018 as well as, the desired results for student learning that have been made a priority for this school year. If you have any questions about the information summarized here, please contact Mrs. Audrey White-Garner, Principal or Mrs. Angel Sumter, SIC Chairperson at 803-783-5541.

Hopkins Elementary is an AVID School. AVID strategies will also yield an increase in student achievement, increase in accountability, and engagement among all stakeholders.

High expectations, active engagement, and student accountability are the conditions set forth for students, faculty, and staff. We have created a digital learning environment in every classroom to enhance instruction and engagement. We are confident this will have a positive impact on student achievement and empower them to achieve their highest potential and dreams.

TECHNOLOGY

Each classroom at Hopkins Elementary is equipped with a SMART Board, computers and/or laptops and internet access in order to increase student engagement and opportunities for independent practice. Students in Pre-Kindergarten through first grade have access to individual i-pads while students in second through fifth grade have laptops. As a result we are 100% one to one school wide.

ASSESSMENT DATA

SC READY ENGLISH LANGUAGE ARTS

Grade	3	4	5
District	36.1%	36.8%	30.8%
HES 2016-2017	29.2%	18.9%	18%

GOALS FOR NEXT YEAR

- Increase student achievement in ELA, Mathematics, Science and Social Studies by at least 5 percentage points.
- Continue to provide the staff with high quality professional development in best practices for visible learning.
- Continue to improve the school climate and home, school and community relations.
