ABOUT THIS REPORT

The school Improvement council of Southeast Middle School has prepared the annual school report for you and the community. The report reviews the progress and growth made last year, reviews last year's test scores, and describe plans for improvement this year. Enclosed you will find an account of the progress we made toward accomplishing targeted goals in 2017-2018, as well as, the desired results for student learning that have been made a priority for this school year. If you have any questions about the information summarized here, please contact Mrs. Inger M. Ferguson, Principal, or Mrs. Caroline Shiver, SIC Chair at (803) 695-5700

Extra-Curricular Activities

CLUBS AND ACTIVITIES:

Southeast Middle School has over 35 clubs. We are a STEM Emerging School and in an effort to expose our students to 21st century skills we have a variety of clubs, everything from pottery to Junior Achievement. Several of our clubs are led by outside partners such as Star Base 2.0 and S.T.E.A.M. in the Kitchen. Clubs meet twice a month during the school day. Additionally, we have Young Ladies of Excellence and Young Men Leadership Alliance which are two organizations that helps build character and leadership within students.

SPECIAL PROGRAMS:

School Garden
Pre-engineering
Chorus, Band, Dance
Volleyball, Football, Basketball, Cheerleading
Softball, Baseball, Track, Wrestling (@ Lower Richland High)
Positive Behavior Interventions & Supports (PBIS)

MISSION STATEMENT:

Southeast Middle School will provide rigorous, inquiry based instruction to transform students into knowledgeable, lifelong learners with the potential to achieve their dreams and compete in a global society.

TECHNOLOGY

Southeast is a one to one school. All of our students were issued Dell laptops for their use here at school and home. In addition to student laptops all rooms have several desk top computers and smartboards. We have maintained three computer labs along with computers in the media center.

Goals for Next Year

“Building A Culture of Excellence”

1. Increase student academic success in all areas through analyzing data.
2. Actively engage all families to foster a stronger school/home relationship.
3. Build positive student social and behavioral expectations through Positive Behavioral Interventions & Supports.
4. Ensure that all resources support faculty and student growth.
5. Become fully authorized as an International Baccalaureate Middle Years Program and increase STEM integration.
