

What is the SIC?

In South Carolina, a School Improvement Council is an advisory council to the principal and the school on issues related to school improvement.

Purpose of Report

This report is issued annually by the Logan Elementary School Improvement Council in accordance with South Carolina law to share information on the school's progress in meeting various goals and objectives, the work of the SIC, and other accomplishments during the school year.

SIC Members

Parents

John Black, Chairperson
Tameika Isaac Devine, Vice Chairperson
Caitlin Martin Cothran, Secretary
Lauren Williams Noesner

Teachers

Allison Kingsley
Ashlee McCarthy

Community

Nick Washington

Ex-Officio

David Copeland, Principal
Dr. Latisha Lowery, Assistant Principal
Sherrie Belton, Parent & Family Eng. Specialist

Ways to Get Involved

At Logan Elementary, we want parents to be full partners in their child's education. Research shows students are more likely to perform well in school, remain in school longer, and enjoy school more when schools, families, and communities work in harmony.

Serving on the School Improvement Council is a great way to get involved and no experience is required. Your input is needed and greatly appreciated.

Additional Opportunities

Arts Steering Committee
Family Nights for Arts, Literacy, and Math
Logan Foundation
Parent Teacher Organization (PTO)
Reading Role Models
and more!

For more information, please contact the Parent & Family Engagement Specialist at sherrie.belton@richlandone.org.

Mission

With the foundation of excellence in instruction, Logan Elementary School is transforming lives through education and empowering all students to achieve their potential and dreams.

Curriculum

Logan Elementary offers both a traditional program and Montessori program. Both programs provide rigorous academic instruction. We work intensively to support our students in becoming independent learners, thinkers, and leaders.

Arts Integration

Logan Elementary offers both a traditional program and a Montessori program. Both programs provide rigorous academic instruction. We work intensively to support our students in becoming independent learners, scholars, and leaders.

Special Offerings

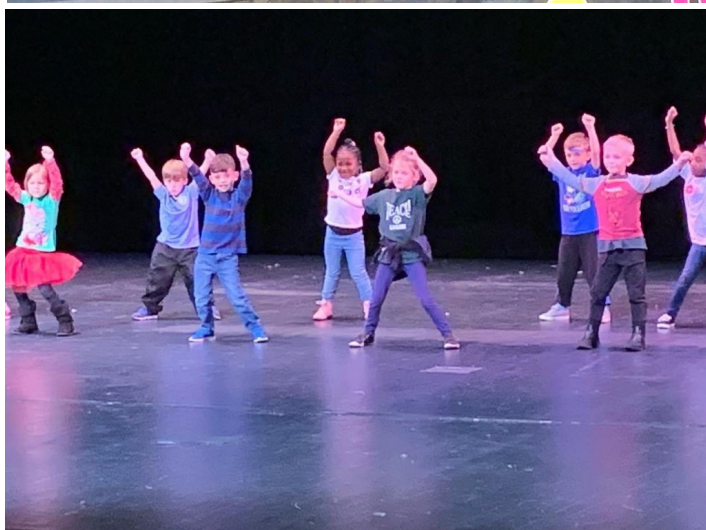

- Dance
- Leopard Singers
- Outdoor Classroom
- Safety Patrol
- Steel Drum Band
- Student News Show
- Theater

State of the Arts

This school year, Logan Elementary applied and received re-certification as an ABC School by the Arts in Basic Curriculum Project. The statewide organization provides leadership in arts education and certifies South Carolina schools for their exemplary efforts to provide quality, standards-based arts education to all students.

Logan continuously strives to offer additional arts programs and to develop creative ways to integrate the arts into the school curriculum.

STAR Test Data

What is STAR testing?

STAR Reading is an assessment of reading comprehension and skills for independent readers. STAR Math is an assessment of math achievement.

What is the format of the test?

All STAR assessments are computer-adaptive tests. Computer-adaptive tests continually adjust the difficulty of each child's test by choosing each test question based on the child's previous response. If the child answers a question correctly, the difficulty level of the next item is increased. If the child misses a question, the difficulty level is decreased.

How is the data used?

STAR assessments are used to monitor student growth throughout the year, to estimate students' understanding of state standards, and predict students' performance on state assessments.
