 #LeopardsRULE

With the foundation of excellence in instruction,  
 Logan Elementary is transforming lives through  
 education, empowering all students to achieve their  
 potential and dreams.

## SIC Annual Goals

- To evaluate assessment results from all core subject areas to guide instructional decisions
- To continue to provide intervention strategies and additional instruction as needed in all core subject areas
- To identify and purchase literature in all core subject areas to support literacy across the curriculum
- To provide teachers with professional development activities in best practices including assessment, state standards, art integration and collaborative planning
- To continue efforts designed to have all students reading on grade level by the end of third grade (continuous assessment, tutoring, small group instruction, etc.)
- To improve writing instruction through the use of text dependent analysis and writing across the curriculum
- To continue to provide an environment conducive to learning through character education activities and teacher training in classroom team building activities
- To take steps to better align instructional strategies and assessment practices with expectations for all groups of learners
- To provide activities for families that garner parental support of school programs and bring parents further into the culture of the school
- To Provide staff members ample opportunities to learn and grow professionally

## Technology

Students at Logan have access to a variety of technological support. All 2<sup>nd</sup>-5<sup>th</sup> grade students have a laptop, 5K-1<sup>st</sup> grade students have an iPad, and every classroom is equipped with a SmartBoard. Every teacher has a district issued laptop to use for planning and instruction.
