

These goals will continue to be a focus for the upcoming school year. This year actions taken to promote a child-centered, safe, and healthy school climate included instruction at all grade levels that addressed state health standards. Each month positive character traits were celebrated. Our classes participated in Go Noodle Brain Breaks, a program provided by Prisma Health to promote activity and movement for students during the day. Afterschool programs promoting safe and healthy behaviors included the YMCA On-Site Afterschool Program and our Compensatory Remedial Program. To promote safety and physical activity, students practiced a variety of safety drills and participated in physical education and health courses, and daily recess.

Efforts to increase student achievement and engagement in learning include student participation in various arts-based learning experiences. School based staff development focused on arts integration strategies and developing a common language for behavioral expectations.

To ensure students become proficient readers, Rosewood continued to implement our reading plan as part of our School Renewal Plan and all kindergarten through third grade teachers received LETRS training. In mathematics, there was continued focus on building conceptual understanding of mathematics at all grade levels.

All faculty members are highly qualified, eleven have earned the distinction of National Board Teacher Certification, and all are in the process of completing or have completed training for a teacher certificate endorsement in reading.

For the 2023 ELA state assessment, 78.7% of students met or exceeded standards. In Math, 67.2% met or exceeded standards. For the 2023 4th Grade Science SC PASS, 69.1% scored Met or Exemplary.

On the last SC School Report Card, Rosewood's overall rating was again "Excellent" with ratings of excellent in the areas of academics.

Participation and support from parents, community members, business partners, our Rosewood Educational Foundation, SIC, and PTO enhance our school climate, student achievement, and teacher and administrator quality.

ABOUT THIS REPORT

This report for Rosewood Elementary School provides information for parents. The report reviews the progress and growth that students made as measured through assessments, the last test scores from 2023, and then describes goals for the upcoming year. Enclosed you will find an account of the progress made toward accomplishing goals in 2023-2024. If you have any questions about the information provided, please contact Rosewood Elementary at (803) 343-2930.

For more information, you may view **Rosewood Elementary's S.C. School Report Card** for 2022 online at www.ed.sc.gov.

STUDENT ACHIEVEMENT

**2023–24 SC READY and SC PASS
Percent "Met or Exceeding" for
3rd–5th graders**

* Science scores for 4th grade only

Based on the five year goals from our School Improvement Plan, our performance goals for this year and next school year focus on:

- 1) School Climate: To create, maintain, and enhance a school environment that is child-centered, safe, and promotes healthy behaviors.
- 2) Student Achievement: To increase annually the percentage of students who meet or exceed state standards in the content areas assessed by state testing.
- 3) Teacher / Administrator Quality: To ensure the faculty and staff are knowledgeable, competent, and productive.
