

Extra-Curricular Activities

While we strive to improve the plight of our students academically, we value the importance of providing social opportunities for our students as well. The following clubs & activities were offered to our students:

Girl Scouts
IP & Community Lunch Buddies

International Paper, SCE&G, and the Richland County Library continue to be invaluable business partners that support our school. Webber Elementary was also the recipient of the Fresh Fruits and Vegetables Grant for the 2020-2021 School Year.

Telehealth

Palmetto Health and Richland One School District have partnered for a telehealth program in the Lower Richland community. The clinical program will enable students to have face to face visits with a licensed medical provider through the use of video conferencing equipment. The service does not replace existing primary health care. Rather, it extends convenient services to the local community.

Purpose of the Report

“The School Improvement Council of Webber Elementary has prepared the annual school report for you and the community. The report reviews the progress and growth made last year, review last year’s test scores, and describes plans for improvement this year. Enclosed you will find an account of the progress we made toward accomplishing targeted goals in 2021-2022, as well as the desired results for student learning that have been made a priority for this school year. If you have any questions about the information summarized here, please contact Dr. Sommer Jones, Principal or Tommie Jean Flemming (803)353-8771

Goals & Action Steps

SIC Annual Goals:

Continue to involve and increase stakeholder involvement in the success of all students.

Provide professional development sessions in the Balanced Literacy Framework.

Curricular Goal:

Student in Grades K-5 will increase reading abilities as measured by the universal screener.

Behavioral and attendance Goal:

The number of student receiving referrals for "Refusal to obey" will be reduced by 5% as measured by the Richland One Discipline Report.

Climate of Partnership Goal:

Identify all other family and community partnership activities for the six types of involvement that will create a welcoming school environment, not covered in Goals 1, 2 and 3.

This goal to increase number of volunteer hours contributed by those participating in school activities or providing resources and services by 20%.
