

Extra-Curricular Activities

While we strive to improve the plight of our students academically, we value the importance of providing social opportunities for our students as well. The following clubs & activities were offered to our students:

- Girl Scouts
- Sylvamo & Community Lunch Buddies
- Girls In Peals
- Boys in Bow Ties
- Eagles on the Rise
- Safety Patrol

Sylvamo, SCE&G, and the Richland County Library continue to be invaluable business partners that support our school. Webber Elementary was also the recipient of the Fresh Fruits and Vegetables Grant for the 2022-2023 School Year.

Telehealth

Prisma Health and Richland One School District have a continued partnership providing a telehealth program in the Lower Richland community.

The clinical program enables students to have face-to-face visits with a licensed medical provider through the use of video conferencing equipment. The service does not replace existing primary health care. Rather, it extends convenient services to the local community.

Goals & Action Steps

SIC Annual Goals

Continue to involve and increase stakeholder involvement in the success of all students. Provide professional development sessions in the Balanced Literacy Framework.

Curricular goal for student from the school Improvement plan, such as improving reading, math, writing, science, or other skills. Students in Grades K-5 will increase reading Abilities as measured by the Star Reading-Assessment.

One behavioral goal, and one goal for sustaining a Partnership climate. For each goal, outline the desired results, how results will be measured, family and community involvement activities, dates, responsibilities, and needed resources.

One goal for improving student behavior, attendance, and respect for other, safety, or other student outcome for the next school year.) The number of student receiving referrals for Refusal to obey will be reduced by 5% as measured by the Richland One Discipline Report.

Climate of Partnership Identify all other family and community partnership activities for the six types of involvement that will create a welcoming school environment, not covered in Goals 1,2, and 3. This goal to increase number of volunteer hours contributed by those participating in school activities or providing resources and services by 20%.
