

Extra-Curricular Activities

While we strive to improve our students' plight academically, we value the importance of providing social opportunities for them too. The following clubs & activities were offered to our students:

Girls & Pearl
Guys & Bowties
Sylvamo & Community Lunch Buddies
RCA's House System

Sylvamo Mill, Dominion, and the Richland County Library and Macon Family continue to be invaluable business partners that support our school. Webber Elementary was also the recipient of the Fresh Fruits and Vegetables Grant for the 2024-2025 School Year.

Telehealth

Palmetto Health and Richland One School District have partnered for a telehealth program in the Lower Richland community. The clinical program will enable students to have face to face visits with a licensed medical provider using video conferencing equipment. The service does not replace existing primary health care. Rather, it extends convenient services to the local community.

Goals & Action Steps

SIC Annual Goals

Continue to involve and increase stakeholder involvement in the success of all students.

Provide professional development sessions in the Comprehensive Literacy Framework.

Curricular Goal:

Students in Grades K-5 will increase reading abilities as measured by the universal screener.

Behavioral and attendance Goal:

The number of students receiving referrals for Refusal to obey will be reduced by 5% as measured by the Richland One Discipline Report.

Climate of Partnership Goal:

Identify all other family and community partnership activities for the six types of involvement that will create a welcoming school environment, not covered in Goals 1, 2 and 3.

This goal to increase number of volunteer hours contributed by those participating in school activities or providing resources and services by 20%.
