## From the SIC

We are grateful for the opportunity to serve our children as your School Improvement Council. We have worked closely with the principal and have taken an active role in decisions made this year to improve the education of all students at Webber Elementary School. The council analyzed student test data and parent, teacher, and student surveys to identify our strengths and set goals for further improvement.

## 2011-2012 Goals

- To improve nutrition and fitness for our students
- To increase the instructional focus in reading and math
- To continue the active involvement of parents

## Challenges

- The recruitment and retention of high-qualified teachers and staff
- Maintaining high standards for all students as a Title I School
- Involving parents and students in academic, cultural and fitness activities gearing toward improving health

## Results

- The Palmetto Silver Award for Improvement in Student Achievement
- A Palmetto Silver Award in Closing the Achievement Gap
- The Rating of “Good” on our SC School Report Card
- Ranked #6 in District Improvement in Student Achievement
- Red Carpet School 2004-2011

## SC Annual School Report Card Summary

<u>Year</u>	<u>Absolute</u>	<u>Growth</u>
2011	Average	Excellent
2010	Average	Good
