Pine Grove Elementary School Profile

To Our Parents & Community:

The Pine Grove Elementary School Improvement Council prepared this report to inform you of some of the initiatives and the progress achieved during 2012-2013. The SIC board members primary focus continues to be improving the academic excellence of our children.

In July 2012, the South Carolina Department of Education was granted a waiver from several requirements of the Elementary and Secondary Education Act. We are now following the guidelines of the Elementary and Secondary Education Act. Pine Grove Elementary overall Points and Grade is 89.6=B. "Performance exceeds state's expectations."

We continue to have a goal to encourage and improve parental involvement with civic engagement in our children's education. Some of this year's activities included Muffins for Moms, Doughnuts for Dads, the Pine Grove Ball, Pastries for Pastors, Parent University, Data Night, Grandparents Day, and many other activities.

It was an honor to serve as the chair this year along with all of the SIC Board members.
