## Additional Information about our School

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by providing high quality educational opportunities in academics, athletics, and the arts. Westside's Ninth Grade Academy provides first-year high school students support and direction through a smaller learning community. Our students receive career guidance and training from the Career Development Facilitator, guidance counselors, teachers, AVID, JROTC, and College & Career Readiness classes, which assist in educating and training students to be career-ready upon earning a diploma.

### New Athletic Facilities

Westside has recently seen the grand opening of a new Field House for Football and this school year, a Spring Sports Fieldhouse.

Anderson School District Five continues its drive to excellence

by providing our student athletes the very best in athletic facilities.
