## School Highlights & Awards

Bethel-Hanberry Elementary has been making its mark when it comes to the general and growth performances of our students. We are most grateful for the support of our entire learning community. Our long-standing history of being a community school fosters support from our entire learning community. Under the leadership of our Parent-Teacher Organization (PTO), our students, parents and supporters have supported our school in a variety of ways. We were able to enhance our school's technology capabilities and help with other general needs. Our School Improvement Council (SIC) has provided guidance and leadership in our pursuit of excellence and continues to plan parent information sessions to keep parents abreast of ways they can continue to aid their children's success. Additionally, the faculty is working towards literacy endorsement as required by the Read to Succeed Act.
