## Highlights & Awards

Joseph Keels Elementary School of Entrepreneurial Leadership is a full-school magnet program housed in the heart of the Springwood Lake community in Northeast Richland County. Our students practice real-life skills such as banking, voting, working for and/or managing a business, and responsible citizenry through voting and civic participation as active members of our school society of Bearsville. Meant to replicate the greater community, the value of grade-level specific learning experiences is brought into greater focus through their application within the Bearsville society. The SIC in partnership with the school has worked hard to promote character and positive citizens within the Bearsville Community. Joseph Keels has continued its objective of recognizing students positively with the continued implementation of unique Honor Roll recognition activities; Honor Roll Parade and Honor Roll Bingo . In addition, JKE continues to make providing students with “being-there” experiences a priority in it’s instructional plan. Students continue to excel academically and socially at Joseph Keels.
